I am aware that in order to conduct an Anthropology Internship a 2.5 overall GPA and a 2.5 Anthropology Major GPA is required. I understand that I will be required to complete written assignments to receive a grade and earn credit for my internship experience. I agree that I have received and understand the nature of these assignments.

Signature: _____

Please return this completed form and job description to the Anthropology Internship Director. The job description must be on the stationery of the internship site. The job description must outline what your responsibilities will be, describe any projects in which you will participate, and describe how you will be supervised. You will receive an e-mail notification regarding the approval decision.
